COMBINING NEWS CODES – BROADENING A SEARCH
Leave a space between the codes or use the word **OR** e.g. **CRU NGS (+ Enter)** or **CRU OR NGS (+ Enter)** gives Crude Oil or Natural Gas News.

COMBINING NEWS CODES – NARROWING A SEARCH
Use – (hyphen) or the word **AND** between the codes e.g. **US-O (+ Enter)** or **US AND O (+ Enter)** gives US Energy News.

To carry out a search where news on a selected topic is specifically excluded use **NOT** between the codes e.g. **GB OR US NOT NSEA (+ Enter)** gives UK and US News excluding North Sea News.
