3 - To be selected from FINC 313, 412, 413, 414, 415, 416, 417, 418 or 419

REQUIREMENTS FOR MAJOR IN FINANCE

(All requirements except free electives must be taken for a letter grade. Pass/Fail status courses may only count in free electives.)

University Requirements

- ENGL 110 Seminar in Composition with a minimum grade of C- (3 credits)
- 3 credits of a Multicultural Course
- Discovery Learning Experience (DLE) (3 credits). This could be a winter, summer or semester study abroad, an internship course, an independent study or an approved experiential learning course. See the DLE website for more information at udel.edu/gened
- First-Year Experience (FYE) – BUAD 110 Basics of Business. Students that matriculated prior to 2013 fall may satisfy this requirement with another course designated as FYE. Students that completed an FYE at the University of Delaware prior to becoming a Finance major are not required to take BUAD 110
- University Breadth Requirements (12 credits with a minimum grade of C-): All students at the University of Delaware as of fall 2010 are required to take a minimum of 12 credits of University breadth requirements - 3 credits each from courses designated as Creative Arts and Humanities, History and Cultural Change, Social and Behavioral Sciences, and Mathematics, Natural Sciences, and Technology. Students must pass these courses with a grade of C- or better. Note that students must take breadth courses from four different subject areas (e.g. the four- letter subject code ACCT, HIST, etc.). Students may not use a course that is cross-listed with a subject area that has already been used to satisfy a university breadth requirement. Students enrolled in a single major may not satisfy the breadth requirement with courses in the subject area of that major (e.g. chemistry majors may not use CHEM courses). Students who are enrolled in more than one major or degree are allowed to meet the University breadth requirement by taking approved breadth courses from within the subject areas of their majors. The requirement may be fulfilled through a course or courses taken to complete other degree requirements, subject to the limitations above; however, credit hours may be counted only once towards the credit hour minimum required for the degree. See the undergraduate catalog at udel.edu/catalog for the list of course options.

3 credits from the Creative Arts and Humanities (CAH)

Three credits of Creative Arts and Humanities with a minimum grade of C-. See the undergraduate catalog at udel.edu/catalog and then click “majors, minors and University breadth requirements” for the specific list of courses.

3 credits from History and Cultural Change (HCC)

Three credits of History and Cultural Change with a minimum grade of C-. See the undergraduate catalog at udel.edu/catalog and then click “majors, minors and University breadth requirements” for the specific list of courses.

6 credits of ADDITIONAL CAH, HCC, OR FOREIGN LANGUAGE INSTRUCTION

Six credits from either CAH or HCC above or foreign language instruction.

6 credits from the Social and Behavioral Sciences

See the undergraduate catalog at www.udel.edu/catalog and then click “majors, minors and University breadth requirements” for the specific list of courses. (Note: ECON 101, ECON 103, BUAD 301 and BUAD 309 may NOT apply.)

3 credits of Economics

Three credits of Economics courses, ECON 251 or any Economics course at the 300-level or above, excluding ECON 308.

21 credits of Skills

1. Six credits of Mathematics, MATH 221 and 230 or MATH 221 and 210. Allowable substitutions are MATH 241 and MATH 230, MATH 241 and MATH 210, or MATH 241-242-243 with minimum grades of C-.
2. Three credits of English, ENGL 110 with a minimum grade of C- from University requirements above.
3. Six credits of Statistics, MATH 201 and 202 with a minimum grade of C-.
4. Six credits of Communication requirements; 3 credits of COMM 212 and 3 credits from one of the following: ENGL 301, 312 or 410.

7 credits of Mathematics, Natural Sciences, and Technology

See the undergraduate catalog at udel.edu/catalog and then click “majors, minors and University breadth requirements” for the specific list of courses. (Note: STAT, MATH, CISC courses may NOT apply). This requirement includes one associated laboratory credit.

15 credits of Free Electives

No courses offered by the College of Business and Economics may be used in the free elective category. Free electives include any course outside the College of Business and Economics, subject to the following:

1. A maximum of two credits of BHAN 120 may be applied to this group.
2. Excess credits from any category above may be applied to free electives.
3. Intermediate Algebra (MATH 010) or any other "0" level course may not be counted toward degree.
4. If a student elects to take an eligible free elective course Pass/Fail, a maximum of one P/F course (3-4 credits) may be taken each semester. This is in addition to courses offered only on a P/F basis.

Exceptions allowing College of Business and Economics courses to count in the free elective category include:

1. Students admitted to the minor in Management Information Systems, Business Analytics, Restaurant Management or Global Enterprise Technologies may apply nine credits of the minor.
2. Students admitted to the minor in Entrepreneurial Studies may apply six credits of the minor.
3. Students admitted to the major/minor in Economics may apply three credits of Economics at the 200-level or higher (except ECON 308).
4. Students participating in BUAD or FINC study abroad programs may apply 3 credits.
5. Students may apply BUAD 110.

57 credits of courses required for the major:

1. Students are required to earn at least a "C-" in ECON 101, 103; ACCT 207, 208; BUAD 301, 306, 309, 441 and FINC 311; and in four of the five courses noted in Finance.
2. CISC 101 may be substituted for MISY 160 until 2015 fall. Students that complete CISC 101 in 2015 fall or after may not substitute the course.
3. ACCT, BUAD, MISY, ENTR, or FINC electives are 300 level or higher courses offered through the departments of Accounting and MIS, Business Administration, and Finance. ACCT 302, 350, 351 and FINC 200 do not count toward fulfilling the ACCT, BUAD, MISY, ENTR or FINC elective for majors in Finance. (However, ACCT 302 or MISY 225 may be substituted for MISY 261. Also ACCT 350 and 351 may be substituted for ACCT 352 if completing a double major with Accounting or when switching from Accounting to Finance after having taken these courses.)
4. A student must fulfill the requirements for a major area in Finance.
5. Students may take only one required FINC upper-level course as specified under "Major Area" at another institution, and only with prior approval.

"WHO'S MY ADVISOR?"

Freshmen and sophomores are advised through the Office of Undergraduate Advising and Career Services, Room 103 Lerner Hall. Juniors, seniors and honors students in Finance are advised by Mr. Timothy Detwiler or Dr. John Stocker.

Note: Many students take courses through the Winter and Summer Sessions to reduce their regular semester course load. These special sessions normally offer only introductory level courses. If you want to take a course somewhere other than UD, be sure to get the course pre-approved by the department that offers the equivalent course and your College's Assistant Dean. You will need a copy of the course description and/or syllabus. The College or University must be AACSB accredited if the course is in business.
