

The Minor in International Business/ Minor in International Business with Language (Only open to majors in the Lerner College of Business & Economics excluding Economics)

For Students that matriculated as of Fall 2014 and after

Application for the Minor in International Business may be submitted online via UDSIS.

The minor is only open to students with a major in the Lerner College of Business, excluding Economics majors. Admission will be based upon the availability of seats and the GPA of the student; a minimum cumulative GPA of 2.7 will be required for consideration. Students must have completed 28 credits at the University of Delaware prior to application. Students electing the International Business minor are encouraged to incorporate a short-term study abroad program into their course of study.

The minor in International Business with Language requires completion of the 18 credits required for the minor in international business plus completion of at least two courses at the 200-level taught in the language of choice for a total of 24 credits. Students selecting the International Business Minor with Language may count one language course as part of the nine credits of International and Region Studies courses; however, only courses taught in the language of choice count toward the minor.

Students seeking a minor in International Business may take only one of the required International Business and Economics Courses at another institution unless advanced permission is granted for credit earned in residential study-abroad courses.
