ROAD TO WALL STREET
The Road to Wall Street Program helps students gain an edge in their finance related internship search process. This program provides accepted students with:

- Training
- Mentoring
- Career Coaching
- Internship Referrals
- Alumni Networking
- NYC Company Tours

Students who were part of this selective program received offers from organizations including Goldman Sachs, JPMorgan Chase, TD Bank, Bloomberg, Morgan Stanley, SunTrust, Citi, TIAA, PwC, EY and more.

Program applications typically open during late spring in Handshake (search for “Road to Wall Street”). Applicants should have rising junior status (fall) in any major, a minimum GPA of 3.2 and availability for a summer internship between junior and senior year.

GRADUATE INTERNSHIP PROGRAM
The Graduate Internship Program is an elite internship program for full-time graduate students. Interns gain experience working in an industry setting—with organizations like Christiana Care, Chase, Sallie Mae, The Siegfried Group, DuPont, Barclays, Chemours and the University of Delaware—while earning a stipend and tuition scholarship. Many interns receive job offers upon graduation based on their performance in the program.

Graduate Interns work in roles involving business analytics, operations, financial services, marketing, accounting and public relations including digital media. Graduate interns can work during the fall, spring and summer semesters. Qualifications and restrictions apply. Check out the opportunities on Handshake.

LERNER EDGE PROGRAM
The Lerner Edge Program affords Lerner students the opportunity to participate in a skill immersion experience designed to provide students with a competitive edge. Lerner Advisory Board members who have 10+ years of business experience will lead sessions and breakouts. Students will learn how to create a standout resumes and impressive interview skills all while building their networks.
