LERNER CAREERS ON WALL STREET

The Lerner Careers on Wall Street program helps students gain an edge in their finance related internship search process. This program provides accepted students with:

- Training
- Mentoring
- Career Coaching
- Internship Referrals
- Alumni Networking
- NYC Company Tours

Students who were part of this selective program received offers from organizations including Goldman Sachs, JPMorgan Chase, TD Bank, Bloomberg, Morgan Stanley, SunTrust, Citi, TIAA, PwC, EY and more.

Program applications typically open during winter/early spring in Handshake (search by Lerner Careers on Wall Street) for acceptance into the program. Applicants should have rising junior status (fall) in any major, a minimum GPA of 3.2 and availability for a summer internship between junior and senior year.

GRADUATE INTERNSHIP PROGRAM

The Graduate Internship Program is an elite internship program for full-time graduate students. Interns gain experience working in an industry setting—with organizations like Christiana Care, Chase, Sallie Mae, The Siegfried Group, DuPont, Barclays, Chemours and the University of Delaware—while earning a stipend and tuition scholarship. Many interns receive job offers upon graduation based on their performance in the program.

Graduate Interns work in roles involving business analytics, operations, financial services, marketing, accounting and public relations including digital media. Graduate interns can work during the fall, spring and summer semesters. Qualifications and restrictions apply. Check out the opportunities on Handshake.

LERNER EDGE PROGRAM

The Lerner Edge Program affords students the opportunity to participate in a skill immersion experience designed to provide a competitive edge when seeking employment. Led by members of the Lerner Advisory and Alumni Boards and NYC Dean's Council, Lerner students can seek resume and interview support from industry experts. This program is both formatted for on campus and virtual.
