OPPORTUNITIES UNIQUE TO **LERNER**

LERNER EXECUTIVE MENTORING PROGRAM

The Lerner Executive Mentoring Program matches Lerner students with executives whose professional backgrounds are complementary to the students' career objectives. Mentorships have resulted in an increase in student confidence in entering the workforce, expansion of networks and overall professional growth. Students are matched 1:1 with mentors at the beginning of the Fall and Spring semesters (September and February timeframe) and meet monthly through student's graduation. Find out more here:

GRADUATE INTERNSHIP PROGRAM

The Graduate Internship Program is an elite internship program for full-time graduate students. Interns gain experience working in an industry setting—with organizations like Christiana Care, Chase, Sallie Mae, The Siegfried Group, Barclays, and the University of Delaware—while earning a stipend and tuition scholarship. Many interns receive job offers upon graduation based on their performance in the program.

Graduate Interns work in roles involving business analytics, operations, financial services, marketing, accounting and public relations including digital media. Graduate interns can work during the fall, spring and summer semesters. Qualifications and restrictions apply. Check out the opportunities on Handshake. Learn more about the program here: <https://my.lerner.udel.edu/career-services/graduate-internship-program/>

LERNER EDGE PROGRAM

The Lerner Edge Program affords undergraduate and graduate students the opportunity to gain a competitive edge when seeking employment. Through the Edge Program, Lerner students are matched with an alum for a one-time, 30 minute appointment to seek guidance on resume, interviewing, job/internship search, salary negotiation, college to career transition, choosing a major and more. Go to:

<https://my.lerner.udel.edu/career-services/lerner-edge-program> and get matched now.
