International Business Studies Minor  
(Open to Economics Majors and Non-Lerner College Majors)

Applications for the Minor in International Business Studies are submitted through UDSIS and are reviewed twice a year:  
March 15, 2018 to August 5, 2018 and October 15, 2018 to January 5, 2019

The minor in International Business Studies is designed for students interested in language and business, but are not majoring in the business area. The minor is restricted to students pursuing a major in Economics or any major outside the Lerner College of Business and Economics. Other Lerner College majors must pursue the Minor in International Business or the Minor in International Business with Language options.

Admission is based on the availability of seats and the GPA of the student. **A minimum cumulative GPA of 2.7 will be required for consideration.** Students must complete 28 credits at the University of Delaware prior to application. Applications are reviewed after the first two weeks of the spring and fall semesters. Students electing the International Business Studies minor are encouraged to incorporate a short-term study abroad program into their course of study, especially a Foreign Languages and Literatures trip to a country that uses the student’s target language; however, only courses taught in the language of choice will count towards the minor.
