REQUIREMENTS FOR SPORT MANAGEMENT AND FINANCE DOUBLE MAJORS

(Note: All requirements must be taken for a letter grade other than those requirements offered only on a pass/fail basis.)

University Requirements

- ENGL 110 Seminar in Composition with a minimum grade of C- (3 credits).
- 3 credits of a Multicultural Course.
- Discovery Learning Experience (DLE) (3 credits). This requirement is fulfilled by SPTM 464.
- Capstone (1-3 credits). This requirement is fulfilled by SPTM 464.
- First-Year Experience.
- University Breadth Requirements (12 credits with a minimum grade of C-):
  All students entering the University of Delaware as of fall 2010 are required to take a minimum of 12 credits of University breadth requirements—3 credits each from courses designated as Creative Arts and Humanities, History and Cultural Change, Social and Behavioral Sciences, and Mathematics, Natural Sciences, and Technology. Students must pass these courses with a grade of C- or better. Note that students must take breadth courses from four different subject areas (e.g. the four-letter subject code ACCT, HIST, etc.). Students may not use a course that is cross-listed with a subject area that has already been used to satisfy a university breadth requirement. Students enrolled in a single major may not satisfy the breadth requirement with courses in the subject area of that major (e.g. chemistry majors may not use CHEM courses). Students who are enrolled in more than one major or degree are allowed to meet the University breadth requirement by taking approved breadth courses from within the subject areas of their majors. The requirement may be fulfilled through a course or courses taken to complete other degree requirements, subject to the limitations above; however, credit hours may be counted only once towards the credit hour minimum required for the degree. See the undergraduate catalog at catalog.udel.edu for the list of course options.

3 credits from the Creative Arts and Humanities (CAH)

Three credits of Creative Arts and Humanities with a minimum grade of C-. See the undergraduate catalog at catalog.udel.edu and then select “other content” under catalog search and search for “breadth requirements” for the specific list of courses.

3 credits from History and Culture Change (HCC)

Three credits of History and Cultural Change with a minimum grade of C-. See the undergraduate catalog at catalog.udel.edu and then select “other content” under catalog search and search for “breadth requirements” for the specific list of courses.

Additional CAH, HCC or Foreign Languages – 6 credits

Six additional credits from either CAH or HCC above or foreign language courses.

9 credits from the Social and Behavioral Sciences

PSYC 100 and a SOCI course are required. See the undergraduate catalog at catalog.udel.edu and then select “other content” under catalog search and search for “breadth requirements” for the specific list of SOCI and additional course options.

3 credits of Economics at the 300-level or above

ECON 251 may apply.

19 credits of Mathematics, Natural Sciences, and Technology

1) Six credits of Mathematics, MATH 221 and 230 or MATH 221 and 210 each with a minimum grade of C-.
   Allowable substitutions are MATH 241 and MATH 230, MATH 241 and MATH 210, or MATH 241-242-243 with minimum grades of C-.

2) Six credits of Statistics, MATH 201 and 202 each with a minimum grade of C-.

3) 7 credits of natural sciences and technology courses. See the undergraduate catalog at catalog.udel.edu and then select “other content” under catalog search and search for “breadth requirements” for the specific list of courses.
(Note: STAT, MATH and CISC courses may NOT apply). This requirement includes one associated laboratory credit.

9 credits of Skills
1) Three credits of English, ENGL 110 with a minimum grade of C- from University requirements above.
2) Six credits of Communication requirements; 3 credits of COMM 212 and 3 credits from one of the following: ENGL 301, 312, or 410.

97 credits of College of Business and Economics courses
1) Students are required to earn at least a "C-" in ECON 101, 103; ACCT 207, 208; BUAD 110, 301, 306, 309, 441; FINC 311; SPTM 210, 313, 314, 315, 416, 417, 418, 419, 464 and in four of the five courses under the Finance area.
2) CISC 101 may be substituted for Misy 160 until 2015 fall. Students that complete CISC 101 in 2015 fall or after may not substitute the course.
3) ACCT 302, 350, and 351 do not count toward degree for majors. (ACCT 302 or MISY 225 may be substituted for MISY 261). Students may take only one of the required SPTM upper-level courses as specified under “Sport Management” and only one of the required FINC upper-level courses as specified under “Finance” at another institution.
4) A student must fulfill the requirements for both major areas in Finance and Sport Management to complete the double major.

ANY DEVIATION FROM THE ABOVE CURRICULUM REQUIRES WRITTEN APPROVAL FROM THE UNDERGRADUATE PROGRAM ADVISOR OF SPORT MANAGEMENT, MRS. CINDY WALKUSKY, AND THE UNDERGRADUATE PROGRAM ADVISOR FOR FINANCE, MR. TIM DETWILER OR DR. JOHN STOCKER.

WHO’S MY ADVISOR? Honors students and juniors and seniors in Finance are advised by Mr. Tim Detwiler or Dr. John Stocker. All Sport Management majors are advised by Mrs. Cindy Walkusky.

Students admitted to the Alfred Lerner College of Business & Economics as “undeclared” may freely elect Accounting, Economics, Economics Education, Finance, Financial Planning and Wealth Management, Hotel, Restaurant & Institutional Management, Hospitality Industry Management, Management, Marketing, Operations Management or Sport Management majors if they do so prior to October 1 of their sophomore year.

Note: Many students take courses through the winter and summer sessions to reduce their regular semester course load. These special sessions normally offer only introductory level courses. If you want to take a course somewhere other than UD, be sure to get the course pre-approved by the department that offers the equivalent course and your College’s Assistant Dean. You will need a copy of the course description and/or syllabus. The College or University must be AACSB accredited to transfer business courses.
